

NEW SUPPORT MEASURES ST. PETERSBURG

REGIONAL INVESTMENT PROJECT

**THE AMOUNT OF CAPITAL INVESTMENTS UNDER THE PROJECT
CAN NOT BE LESS THAN:**

50 MILLION RUBLES

(the investment period should not exceed 3 years from the date of inclusion in the register of regional investment projects participants, but no later than 12/31/2026)

500 MILLION RUBLES

(the investment period should not exceed 5 years from the date of inclusion in the register of regional investment projects participants)

REGIONAL INVESTMENT PROJECTS PARTICIPANTS ARE PROVIDED WITH BENEFITS:

- Reduced corporate income tax rate to the St. Petersburg budget (in the amount of 10%)
- Reduction of the amount of tax on the property of organizations to the budget of St. Petersburg by the amount of tax calculated in relation to the property

Detailed information on obtaining regional investment projects status can be found here:

SPECIAL INVESTMENT CONTRACT (SPIC)

A special investment contract involves the integration or development and integration of technology for the production of industrial goods that could be competitive at the world level, if such technology is included in the list of modern technologies approved by the Government of the Russian Federation.

SELECTION CRITERIA FOR SPIC:

Integration period

Volume of industrial production

Technological level of production localization

SPIC IS CONCLUDED ON A COMPETITIVE BASIS:

WITHIN THE SPIC, THE INVESTOR RECEIVES A NUMBER OF PREFERENCES.

For a period of up to 15 years, if the volume of investments does not exceed 50 billion rubles,

For a period of up to 20 years with an investment of more than 50 billion rubles.

TAX SUPPORT MEASURES:

Income tax benefit, 0% rate
(in relation to profit received under the SPIC)

Exemption from payment of property tax

NON-TAX SUPPORT MEASURES:

- Determination of the SPIC investor party as the only supplier of the produced goods
- Leasing a land plot located in a municipal or state property without bidding
- Application of a reduction factor of 0.8 to the amount of rent for the use of the land plot provided for in the SPIC and owned by the state for the period of the SPIC and others

Detailed information about the special investment contract can be found here:

ST. PETERSBURG INDUSTRY DEVELOPMENT FUND

The Fund provides targeted loans for the implementation of projects aimed at the development of new high-tech products, technical re-equipment and modernization of fixed production assets, overcoming the dependence of Russian industry on foreign technologies and products, etc.

Loans are provided under 13 programs at rates from 1 to 5% per year. The volume of loans ranges from 5 to 200 million rubles.

FUND PROGRAMS

Development projects

Digitalization projects for industrial enterprises

Loans for the purchase of equipment

Loans to refinance liabilities under loan and leasing agreements, associated with the purchase of equipment

Loans for backbone enterprises for the purchase of components and others

SUBSIDIES FOR INDUSTRY AND AGRO-INDUSTRIAL COMPANIES

In accordance with the state program of St. Petersburg, state support is provided in the form of subsidies in order to reimburse the costs associated with

- Payment of lease payments for purchased technological equipment
- Conducting an energy survey and (or) purchasing energy-saving equipment
- Training, retraining and advanced training of personnel
- Participation in international exhibitions and fairs
- Compliance with the requirements of the legislation of the importing country, which are necessary for the export of goods (works, services) and others

It is planned to subsidize part of the costs of transportation of non-resource non-energy products.

MEASURES TO SUPPORT THE EXPORT ACTIVITIES OF PETERSBURG COMPANIES

In order to support the export activities of enterprises, subsidies are provided for export-oriented industrial entities in St. Petersburg.

SUPPORT IS PROVIDED BY ANO «ST. PETERSBURG EXPORT SUPPORT CENTER» BY PROVIDING THE FOLLOWING SERVICES:

- Individual consulting on export activities
- Preparation and translation into foreign languages of presentation and other materials, including adaptation and translation of product packaging
- Search of potential foreign buyers
- Assistance in registration of rights to objects of intellectual property
- Preparation, examination, support of the export contract and others

Also, one of the tools to assist the export activities of organizations is to ensure their participation in business missions of St. Petersburg abroad and in international congress and exhibition events.

IN 2022 ST. PETERSBURG ENTERPRISES WILL BE ABLE TO PARTICIPATE IN THE FOLLOWING INTERNATIONAL EVENTS:

Exhibition of medicine and pharmaceuticals Africa Health ExCon 2022
(Cairo, Arab Republic of Egypt) from 5 to 7 June 2022

International Trade Exhibition of Food and Nutrition Foodex Saudi 2022
(Riyadh, Saudi Arabia) from 13 to 16 September 2022

International Exhibition of Marine and Port Technologies Indo Marine 2022
(Jakarta, Indonesia) from 2 to 5 November 2022

Detailed information can be found on the website
